

Seminar Information

The format of the 2017 Winter Ranch Management Seminar Series is a face-to-face meeting with a series of short comments focused on enhancing profit in beef production and a 'Town Hall' Question and Answer session where producers can ask their questions to local/district and state extension specialists. Producers are encouraged to bring their questions on cow/calf animal health, nutrition, genetics, reproduction and management to the session!

Please RSVP to your selected location contacts by close of business **one week before** the event. 40 RSVP'd attendees requested for each location. Locations with fewer than 40 confirmed attendees may be cancelled. Registration fees and payment forms may vary by site. Contact your local host contact for registration/Rsvp details. Meal is included in the registration fee.

Online updates to the Seminar information can be found on the Animal Sciences website at:
